

TDC Recital June 14th, 2020 1:30 pm Heritage Theatre, Campbell

This email contains information regarding ordering costumes and payment for costumes. Please hold off asking any questions not pertaining to costume ordering until the next Recital update. A complete package will be emailed and available on our website in the upcoming weeks with everything you need to know about Recital, I promise!

WHAT WE NEED FROM YOU

Almost 100% of our dancers perform in our yearly recital. If your dancer cannot perform, we need to know for choreography and costume orders. We also understand that if your dancer is enrolled in 10 classes, it may not be feasible for you to order 10 costumes! In that case, we just need to know which dances they **won't** perform in. Any request to **NOT** participate in any specific, or all classes, should be emailed to me no later than **FEBRUARY 20TH**; Nicole at admin@tdcoflogatos.com

HOW TO REVIEW WHAT CLASSES YOUR DANCER IS REGISTERED TO PERFORM IN

Please log onto your Studio Director account and click on **View Performances** from the home page:

Then review what classes your dancer(s) are currently registered to perform in (see example below):

Note: Some classes (particularly ballet and tumbling) are being combined, so you may only see one Performance entry for multiple classes. You will only be charged for one costume for these combined classes.

PLEASE NOTE: A costume will be ordered for each dance that is listed under their Performances table. Once a costume is ordered, it cannot be refunded.

Your request to remove a dancer from any Performance must be received by Wednesday, February 20th. After reviewing your dancer's classes, there is nothing you need to do for ordering. Some of our technique/stretching classes will not participate in the Recital. You will not see those classes on your Performance list. Payment in full for costumes will be charged to your Studio Director account on Monday, February 25th.

The charges for costumes are:

\$65 4-12yrs old

12-teen \$75 All Costumes (If XL is required \$85)

ALL Hip Hop classes - No costume being ordered. Instructors will collaborate with students and parents to put their costume together.

If your dancer is not performing in Recital, they are welcome to remain in class through June. They will continue to learn technique and even the Recital routines.
